Hello. My comments are attached. Mostly just some minor wordsmithing. Happy to discuss. I'll be around a couple more hours today, and then back by noon-ish on Monday. Happy Thanksgiving!

Tod-

As mentioned, here is a revised paper that Kathy and I would like to discuss with the workgroup when we have our next call (possibly next week). The paper Ex. 5 Deliberative Process (DP) for leadership.

Would you have time to take another look and let me know if this reflects our discussion on the last call. For now, I'm not sending again to our min-workgroup (Fred, Andy, etc.) but will include them when we send to the 404(g) rule workgroup. If you can review by next Monday, we'll then send to the workgroup. If not, we can have your review be concurrent with the workgroup.

Thanks!
Ruth

Sounds good. Note that I'll be out of the office on use/lose leave for much of December. I'll be out the weeks of 12/9, 12/23/ and 12/30. Thanks.

We're hoping to possibly discuss a revised version of the "tribal considerations" paper (based on our last discussion) at an upcoming workgroup meeting in December (normally would be this Thursday, so it could be next Thursday.) We'll include you when that gets scheduled. Regarding the other options paper on tribal assumption, we'll probably need to have another discussion with you and others on the
